

Herbalife® is a popular brand of meal replacement products, and protein supplements. Herbalife nutrition products are sold through distributors who develop a relationship with customers and earn an income based on sales. Many consumers who buy Herbalife products are trying to lose weight or improve health.

An appropriate nutrition plan is essential for providing our bodies with the nutrients required to help them function properly.

Herbalife products have helped people to normalize blood pressure, diabetics, Thyroid, PCOD, Polio, Brain Tumor, Skin problems such as psoriasis, Fits, Gall Bladder, Arthritis, Hepatitis B, Stroke, Dialysis and many more chronic diseases that are bound to happen due to Cellanious and chromium deficiencies.

A Herbalife Weight-Management programme / Nutritional Food Products offers a personalized approach with products that can deliver results.

Energy-enhancing products including Afresh developed for everyone; from those who are just starting out, to Herbalife's sponsored athletes and teams around the world.

The Herbalife® Targeted Nutrition range makes staying on top of your health easier by giving your body the specific targeted nutritional support it needs.
